Admiral Stansfield Turner
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Director:

Please take the necessary action to have my Legislative Assistant, John J. Stirk, cleared for access to sensitive compartmented information.

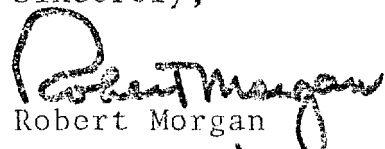

I have certified Mr. Stirk to the Committee on Armed Services and it is necessary for my work on that Committee, particularly in the areas of reconnaissance and intelligence in the the Subcommittee on Tactical Air Power, that he be granted the clearance. By so certifying Mr. Stirk, under Section 705.(c)(1) of S.Res. 4 he has all the privileges of a professional staff member of the Committee on Armed Services.

This access for Mr. Stirk is also necessary because I have designated him as the one person on my staff to receive information from and assist me in my duties on the Select Committee on Intelligence.

Mr. Stirk was released from active duty with the Air Force on 30 September 1977 and entered my employ the next day, thus he is already cleared to Top Secret.

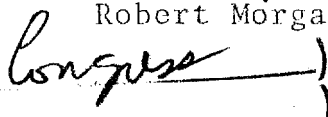

I look forward to your early reply in this matter since I am planning a trip to Asia and the Near East in early December to visit certain defense and intelligence activities and require the assistance of Mr. Stirk during the trip.

Sincerely,

Robert Morgan
